

ANDY CHRISMAN **one**

BELIEVE

by Greg Bieck, Tyler Hayes-Bieck and Andy Chrisman

I have never seen Your eyes
Or a smile across Your face
I have never held Your hand
Or felt Your warm embrace
And I live among the scoffers and the questioning
How can you trust a god that you have never seen

(chorus)

I still believe, I still believe
I was born two thousand years
After You left this earth
Holding the intangible
And clutching to Your Word
And I live among the scoffers and the questioning
How can you trust a god that you have never seen

(chorus)

(blessed are they who believe and yet have not seen)
(repeat)

I believe You're the son of God
Born of a virgin, died and rose again
I believe You are seated at the right hand
You're the beginning and the end
(repeat)

(chorus)

COMPLETE

by Jason Ingram, Matthew West and Andy Chrisman

Don't be disturbed if I'm not melancholy all the time
Don't be surprised to find a smile upon my face
A mile wide • And don't be alarmed if it's so hard
for me to stand still right now
But there's something going on right here
Even as I sing this song

(chorus)

There's a joy I know
Dancing in my soul
And it comes from being with You It's unbelievable
How my heart is full
And it comes from knowing the truth
That I am complete in You

Don't be afraid to jump right in and help me sing
this song
Don't be surprised to find a smile upon your face
A mile wide
And don't be embarrassed if it's hard for you to
stand still right now
Cause there's something going on right here
Even as I sing this song

(chorus)

(bridge)

Money won't complete me
Fame won't complete me

I am complete in You
A big house won't complete me
A nice car won't complete me
I am complete in You
"Yeah, yeah, yeah"
Won't do it
"nah, nah, nah"
Still won't do it
I am complete in You
Well all these things
Yeah, they're nice things
But I am complete in You
(chorus)

ATMOSPHERE

by Scott Krippayne, Andy Chrisman
and Jamie Kenney

A cloud by day to cover me
And fire by night to comfort me
My strength, my peace
You meet my every need
Before me, behind me
On every side you're there

(chorus)

You are my sun, You are my light
You're my hopes and dreams
Everything that's right
You calm the storms, You guard my life
And no matter where I choose to go
You are near
Cause You're my atmosphere

Your thoughts of love encompass me
And Your arms of grace surrounding me
My strength, my peace
You meet my every need
Before me, behind me
On every side you're there

DEBT OF GRATITUDE

by Luke Brown and Andy Chrisman

You brought me back to life
You healed my broken heart
You've given me my sight
You've taken me by storm

You gave it all away
To come and rescue me
And day after day
Your love delivers me
(chorus)

What can I ever do to thank you
What do I owe You
What can I pay

My debt of gratitude
Grows everyday
And all I have to give
Is an offering of love
A sacrifice of praise

So here I am again
I'm so in need of You
You always take me as I am
You always pull me through
(chorus)

(bridge)

A sacrifice of praise
A sacrifice of praise
A sacrifice of praise
(chorus)

EVERYTHING

by Grey Bieck, Tyler Hayes-Bieck and Andy Chrisman

Everyday there's something more to discover
About You
Every time my eyes are uncovered I see
More of You
Taken back by the depth of love
And the echo of Your name
And the way that You never change
And there's more, and more, and more, and more

It's not the way You've touched my broken heart
It's not the way You called my name
It's not the grace the mercy that You've shown
It's everything,
You are everything

Like a never ending day for a kid in a Toy store
With a secret map just for me and a prize behind
Every door
That's how I feel about this life
The adventure that You bring
Beyond my wildest dreams
And there's more, and more, and more, and more

(chorus)

You're everything I'll ever need
You're so much more
And everywhere I ever go
You've gone before
And every time I'd thought
I'd seen the best You had to give
You show me something new
Again, and again, and again, and again
(chorus)

ADORE YOU

by Jason Ingram, Matthew West and Andy Chrisman

Here I am in wonder
At the thought of Your splendor
And if I'm to lift a note
In Your direction
Let it speak of who You are

(chorus)

You are awesome
You are perfect
I am humbled in Your presence
And I love the way
You speak to me
With words of loving kindness
I adore You, I adore You

Here I am in wonder
That I can call You father
God of all the universe
Let me speak of who You are
(chorus)

(bridge)

Joyful, joyful, we adore You
God of glory, Lord of love
Hearts unfold, like flowers before You
Opening to the sun

(chorus)

WHAT'S LEFT TO SAY

by Andy Chrisman and Jamie Kenney

I'm no Shakespeare, I'm no Henry Thoreau
Can't write a song, like McCartney or Billy Joel
That won't keep me from telling You
How I'm feeling now

I'll never paint like Picasso or Claude Monet
Won't pen a speech like Lincoln or JFK
All I know is to give You everything in my heart

(chorus)

I could give you a thousand hallelujahs
Countless words I've said a million times
But I fall short trying to tell You I love You
And You're so amazing
So what's left to say but...

There's a language, only the heart can speak
So much deeper, deeper than words can be
The perfect way to express my love to You
(chorus)

(bridge)

I want to speak what only You can hear

THE WORD OF GOD

by Scott Krippayne, Andy Chrisman and Jamie Kenney

I'll hide Your Word inside my heart
Daily You fill me as I enter in
Praise be to You for who You are
I rejoice in Your statutes

I delight in Your decrees
Meditate on Your precepts all of my days

(chorus)

The Word of God is changing me
Calling me to know You more
The Word of God is life to me
And I believe in You
I believe in the Word of God

My soul thirsts for Your commands
Wisdom flows as You speak to me
Teach me Your purpose, show me Your plans
I'll rejoice in Your statutes
I'll delight in Your decrees
Meditate on Your precepts all of my days
(chorus)

(bridge)

I cannot live by bread alone
(repeat)

(chorus)

THE ONE

by Cindy Morgan, Andy Chrisman and Shaun Shankel

Beyond the eyes of what the wisest heart can see
Deeper than the broken dreams inside of me
Your power leaves me shaking
Closer than the breath I'm taking
Yet You love me as I am
You're the lion and the lamb

(chorus)

You're the one who is king of the ages
You're the one who created all I see
You're the one who has loved me forever
Holds me together
You're the one, You're the one

I'm so grateful for the dawn of each new day
And for the light the guides my steps along the way

And Your Word that won't deny me
And Your peace that always finds me
Your spirit whispers to me
That's how I know, I'll always know
(chorus)

(bridge)

Who turned my life around
Sets my feet on higher ground
There is nothing sweeter
Than the strength I've found(chorus)

KING ABOVE ALL

by Chris Rodriguez and Andy Chrisman

To Him who sits on the throne
And unto the Lamb
Be honor, glory and power
And praise evermore
Forever and ever

(chorus)
Hallelujah
Praise to the Lord we sing
Hallelujah
Perfect in everything
Hallelujah
Amen
(repeat verse)

(chorus)

(bridge)
We give You glory
King above all the earth and heaven
(repeat)

LOVE REMAINS

by Andy Chrisman and Jamie Kenney

With all the changes in my world
You're still the same
When all my hope has gone away
I still see You
Everywhere around me
In every way I've found
You still remain

All the words that I could say
They're not enough
To tell You just how much I love
How I see You
In everything around me
In every way I've found
You're love remains

(chorus)

You have been my Abba Father
When You've held me in Your arms
The touch of Your hand
The smile on Your face
Always lets me know
Everything's okay

So I will never let one moment go by
That I forget Your gift of grace
Or share the love you've given in abundance
And pour it out
Till nothing else remains

The day will come when I will take a final breath
And leave behind all that I've known
When all that's left
Are memories of a lifetime
And pictures of a love
That will remain
(chorus)

When there's nothing left to say
No more to do
The hands of time have lost their way
I will find my • Destiny inside You
Forever in a love that will remain
