BEN KOLARCIK is a worship leader, recording artist and songwriter residing in Los Angeles, CA. Not only is LA the home base for his national ministry, but also where Ben serves as full time Worship Arts Pastor for Discovery Church and at the progressive young adult service, "The Vine" at Shepherd of the Hills Church.

Ben's progressive pop/rock style goes beyond mere entertainment to what many describe as engaging and passionate. His distinctive voice captivates his listeners with the depth of emotion expressed and showcases an enthusiasm for a myriad of musical forms. As a 27 year old, Ben possesses a wealth of experience in performing at events around the globe.

He is most often recognized as one half of the GMA Dove Award nominated duo, ACROSS THE SKY. They released their debut on Word/Curb/Warner Bros. Records in 2003. For the next three (3) years, this critically acclaimed duo and fan favourite toured alongside CCM mainstays such as Mark Schultz, MercyMe, and Michael W. Smith.

In addition to completing work on a brand new album, BEN KOLARCIK's worship songs have most recently been featured on the "2008 SongSeeker" CD at this year's Saddleback Worship Conference and the "Top 20 Indie Worship" album released by IndieHeaven and Indelible Creative Group.

You're invited to experience the spirit-filled music of BEN KOLARCIK. Music focused not on an individual, but on the truth of who God is -- His consistency, His strength, His renown.
